

## TOP TEN BCN DESIGN TOUR

Barcelona has been one of the world's design capitals for many years now and continues to be the custodian of its own creativity day after day. Not only is it outstanding in the field of fashion and home ware, but in the field of architecture as well. All over the city, lovers of design will find all kinds of museums, shops and buildings that are a feast for the eyes. Among these gems we highlight Barcelona's **design top 10**, a selection of landmark buildings featured on the BCN Design Tour which the Barcelona Centre de Disseny has created especially for Turisme de Barcelona.
